

Pack Salud Activa

REF. 2.100

Active Health Pack

Composed by: Munactive-10, 1000 ml. + Cuminaloe + Aloe Vera Juice, 1000 ml.

Free gift: Munactive-10, 250 ml. and presentation box.

ALOE VERA JUICE: Our 100% natural aloe vera barbadensis miller Exialoe juice is extracted directly from the plant, cold stabilized and contains more than 250 active properties. Certified as containing more than 10% active polysaccharids, it is a magnificent regulator, alcalizer, depurative and tonic for our organism, being a powerful source of natural life.

CUMINALOE: Cuminaloe contains 95% curcumina (obtained from curcuma longa), an active component which provides potent antioxidant, anti-inflammatory and antimicrobial properties. Piperine and aloe vera strengthen and maximize its biodisponibility. It helps to improve our health and intellectual, emotional and physical levels.

MUNACTIVE-10: Its active components will strengthen and alkalize our body in the face of illnesses and contribute to a better quality of life.

Amongst its ingredients, ten are outstanding: Black grape, Mangosteen, Pomegranate, Acai, Soursop, Shiitake, Reishi(ganoderma lucidum), Resveratrol, Aloe Vera, Coenzyme Q-10

100% Aloe Vera Juice

Our Aloe Vera Juice is 100% Pure. It is extracted directly from the Aloe plant and it is not reconstituted. That's why it is called 1:1 Biological harvesting is controlled.

This juice contains 10% active and natural Polysaccharides from the Aloe plant.

Our Aloe Vera products are CERTIFIED by IASC (International Aloe Science Council) for content and purity

Munactive-10

Its active components will strengthen and alkalyze our body in the face of illnesses and contribute to a better quality of life. Amongst its ingredients, ten are outstanding: Black grape, Mangosteen, Pomegranate, Acai, Soursop, Shiitake, Reishi (ganoderma lucidum), Resveratrol, Aloe Vera, Coenzyme Q-10.

Cuminaloe

Containing 95% curcumin. Scientific studies show that curcumin is a potent antioxidant and also prevents lipid peroxidation, is the process that gives rise to the appearance of severe liver, kidney, cardiovascular and neurodegenerative diseases as well as diabetes and cataracts.

It also has black pepper to increase their bioavailability and Aloe Vera juice to reinforce its action.

1.000 ml.

TÉ COMPLEX XTEVIA

Te Complex Xtevia is a carefully elaborated product with a special formula of natural origin which will allow you to improve your figure and reduce your weight drinking 2 or 3 cups of tea a day.

This tea is not a medicine. It is composed of extracts of natural origin, without sugars, preservatives,

chemical products, aromas or colouring. Te Complex Xtevia offers a natural and progressive method

of purifying and renewing the organism, losing weight permanently. This drink helps to reduce

cholesterol and triglycerides, namely, the residual components and fats which accumulate in the

organism. It is diuretic, antioxidant and prevents fatigue. Because it contains natural stevia and

green tea, it prevents diabetes and high blood pressure. How to Use: Dissolve one scoop of the

product in a glass of approx. 200 ml cold, warm or hot water.
